

# CERTIFICATE OF APPROVAL

No. NCS-201

In compliance with the rules of Nordic Certified Scantlings (NCS), Windows and Doors, this certificate applies to the products

## **Laminated scantlings and finger jointed massive wood**

for use in door and window production in the Scandinavian countries produced by

**Norgesvinduet Bjørlo AS**  
**Øyane 1, N-6790 Nordfjordeid**  
**VAT: 910 646 168**

At the factory:

**Beverlo Polska Sp. z o.o**  
**ul.ks.Jerzego Popiełuszki 2, PL - 83-400 Kościerzyna**  
**VAT: PL 591 000 47 24**

This certificate confirm that all regulations given in the document "Certification of laminated scantlings (blanks) for use in door and window production - Technical requirements for processing and production control" are implemented, and that the products fulfil the prescribed requirements given by NCS.

The certificate allows Norgesvinduet Bjørlo AS, at the factory Beverlo Polska, to mark their products according to NCS rules.

This certificate is only valid if the factory has an agreement with an authorised control body for the given products regarding inspection and testing. It will be valid from the date of approval and five years ahead but can be recalled if the requirements of NCS Nordic Certified Scantlings are not fulfilled.
